

ISSUANCE OF INCOMPLETE GRADES

Incomplete Grades—Work which is of passing quality, but because of extenuating circumstances is not complete, may be graded “I”-Incomplete. **Students must initiate an incomplete grade request and must secure appropriate approval of the excuse by the instructor, department head and dean of the college in which the course is taken.** If an excuse is not received prior to issuing a final grade, the instructor is to consider the delinquent work to be of failing quality and an I-grade should not be given. Incomplete grades are removed only by completion of the course work, not by repeating the course. A grade of “I” becomes a grade of “F” if not removed by the end of the first six weeks of the following semester, if the student is in residence, or within one year, if the student is not in residence. The grade of “I” shall not be calculated in the cumulative grade-point average for retention purposes. Graduating seniors are not permitted to receive I-grades. The Office of the Registrar will distribute official incomplete grade sheets at the end of the first six weeks of each regular academic semester.

The I-grade is not an option in Banner. Per the Office of the Registrar, I-grades must be submitted on **grade report sheets**. Faculty members must submit the grade reports (accompanied by a copy of the completed I-Grade Request form) in person or through their respective chairs or deans. **Under no circumstances will grade reports be accepted from students.**

An Incomplete Grade Request form is attached.
